Re: Ashon Fisher
Inmate No: 27091-050

Dear Sir or Madam:

I am writing on behalf of Ashon Fisher who, I understand will be eligible to be released to a halfway house on or about August 1, 2010.

Mr. Fisher and his family are asking that you consider home confinement as opposed to released to a halfway house because of his medical condition.

Mr. Fisher has suffered two heart attacks prior to his incarceration, has received major surgery to treat an intestinal blockage while incarcerated, and, information and belief is scheduled for another surgery to repair a second intestinal blockage. Mr. Fishers weight has dropped from approximately 400 pounds to approximately 140 pounds while incarcerated.

Mr. Fisher and his family believe that home confinement will enable the family to assist in restoring Mr. Fisher's health as they will be able to care for him 24/7. Please advise.

Very truly yours,

ROBERT BRADLEY BLACKMAN
